

Rob Walker Compassionate Advocate for Animals Award

The Rob Walker Compassionate Advocate for Animals Award is given each year by the Baldwin County Humane Society (“BCHS”) to recognize someone in Baldwin County whose service to animals demonstrates the qualities Rob Walker, Executive Director of BCHS from 1998 until his death in 2006, brought to advocating for animals in Baldwin County, including compassion, devotion, tenderheartedness, creativity, dedication, dependability, and perseverance. Rob Walker was a compassionate advocate for animals; he never turned away an animal in need, and helped develop programs we use today including low cost spay and neuter vouchers, adoption events and animal rescue.

If you know someone who has gone above and beyond, to give service that demonstrates the ideals of Rob Walker, please fill out the information below and deliver it to the BCHS Adoption Center at the following address:
